Maryborough Early Years Place (EYP)

Operated by 54 reasons (part of Save the Children Australia), Maryborough EYP is a welcoming hub supporting families with young children (0–8 years). Their focus is on helping parents and caregivers build confidence, strengthen family relationships, and support their children's development in a safe and friendly environment.

Key Services Offered:

Family Support Program: One-on-one mentoring with a Family Support Specialist to develop personalised plans addressing family challenges and building on strengths.

Play2Learn Playgroup: A 20-week supported playgroup for children 0–4 years, offering play-based learning activities, parent networking opportunities, and pathways to community playgroups.

Parenting Programs – Bringing Up Great Kids: A 6-week program (group or individual) empowering parents with practical strategies to nurture positive relationships and promote child wellbeing.

Referral Support: Guidance connecting families to local services and resources for children aged 0–8.

Approach:

The team works alongside families, valuing their voices and strengths, and ensuring children and young people are included in decisions about their support.
