We provide non-judgemental and confidential support through referrals, information and a vital outreach of compassion. Our patrols visit parks, street sides and other accessible areas in the regions where we operate. In some locations we offer a barbeque.

Our Mobile Outreach Support and Health Program by Integrated Teams (better known as MOSHPIT) provides a unique health service. Each of our vans offer a fully equipped on board health centre providing check-ups, dressings for minor wounds, referrals to other agencies and support in gaining housing. We partner with other local agencies including GPs and nurses, counsellors, Centrelink officers and volunteers.
