COACH Family and Youth Mentoring Programs - where trained volunteer mentors support parents/guardians or youth to achieve their life goals for themselves and their family. Mentors are matched with referred mentees and are available to meet either weekly or fortnightly for one hour session. Youth Mentors meet their mentees at their respective high school as arranged with the school and parents. Mentoring averages 12-18 months or as required

Family Support Services, Welfare Assistance and Services, Youth Wellbeing Support Services

Family Mentoring 18-64 years old

Youth Mentoring 13-16 years old
