Homelessness Support Service

Welfare Assistance and Services

StreetWorks is one of our programmes - for those who find themselves homeless or living rough in and around the Torquay area. We offer a Tuesday morning breakfast in the park at Torquay foreshore from 6-7.30am -opp. The service station on corner of Esplanade and Bideford St, Torquay. We offer a friendship and support for moving forward when you are alone and doing life tough. Connect with us at breakfasts.
