Maryborough Central Early Learning Centre has been providing families within the Fraser Coast and Wide Bay Region with leading early childhood education and care for 10 years.

Catering for children aged 15 months through to school age, and outside school hours care, our long-term dedicated team of early childhood educators are ready to enrich your child's learning experience.

We offer a large open playground for the children to explore and a homely community-focused centre located near St Mary's Catholic Primary School, Maryborough Central State School and Queen's Park.
