About Us

The St John Community Transport Service assists meeting everyday needs of people in the local community by being more mobile and having access to safe and reliable transport.

Our non-profit community transport service is staffed by qualified and friendly St John staff and drivers, offering you a reliable, cost effective transport solution to meet your needs. This service is ideal for: visits to the doctors and medical appointments, visiting friends and loved ones, transport to and from events and functions, family gatherings and celebrations, shopping trips and much more.

This service is available to people living in Maryborough and Hervey Bay.
