Training Employment Support Service Inc (TESS) is your gateway to a world of new opportunities along with more enjoyable and profitable employment. We are passionate about providing outstanding opportunities to our local community and students, no matter what their previous experience or knowledge. We have been providing community-focused training courses to unemployed people in the Fraser Coast region since 1983, over 27 years, and in this time we have helped a huge number of people make significant and lasting changes to their lives, no matter who you are, we can do the same for you.
