Education Services

Unndennoo Kindergarten is located in Maryborough Qld and opened at their current location in 1973. We are a not-for-profit organisation managed by a volunteer committee made up of parents and community members. We follow the school terms, and we are a single room centre. The children attend 3 full days per week 9am to 2pm and we have a bus to pick up and drop off. We believe that all children should have the opportunity to succeed and learn in a supportive environment with qualified Teachers and Educators. Early education 3-5 years.
